

## ***The Congregation's Rosh Hashanah Card*** ***Due by August 10, 2018***

As the New Year approaches, we invite our members to join us in sending a festive Rosh Hashanah card to everyone in the congregation...and help to support two worthy purposes. You choose which one you want your donation to go to.

The first is the **Beth Israel Religious School Scholarship Fund**. This Fund supports the needs of families who are unable to afford the full tuition for school. Your support now will replenish this important resource which ensures every child at Beth Israel may benefit from our Religious School.

The second is the **General Fund** which underwrites expenses not covered by other funds or the annual budget.

Please indicate below where you want your contribution to go. (If there is no designation, the donation will be used for **Beth Israel Religious School Scholarships**.)

The minimum contribution required in order to be listed on the card is \$18.

Add your names now to this worthy endeavor, and send a traditional High Holiday greeting card to everyone in the congregation.

Please fill out the form below and mail it, with a check payable to Beth Israel Congregation by **August 10, 2018**. Please note that after this date we cannot guarantee inclusion of your name on the New Years Card, though it will be acknowledged in Hashaliach. **Thank you for your thoughtfulness!**
