Lulav and Etrog Order Form

Due by 12:00 p.m. on Friday, October 4

The tradition of the Lulav and Etrog on Sukkot can be of great wonderment to children, as well as a source of profound meaning to adults. It provides a distinct echo of ancient ceremonies conducted in the Temple in Jerusalem and reflects our thanks to God for the bounty of the world. We say the blessing over the Lulav and Etrog on each morning of Sukkot (except for Saturday). During Sukkot, the Lulav and Etrog are used during the Hallel service and later during the special Sukkot festival procession (Monday, October 14 and Tuesday, October 15).

- Please fill out the below form and return to Beth Israel with full payment.
- Instructions included with each set.
- Cost - \$36.00 per set.
- Lulav and Etrog sets will be available for pickup on Sunday, October 12, from 10:30 a.m. - 1:00 p.m.
- Pre-purchased sets will also be available for pick up in the foyer during the services on October 14 and October 15 and during office hours the rest of the week.
